Interactive Comedy Music, Vocal Impressions and Dance

Clever, polished, and unbelievable impersonations are
his trademarks. A one-man show, who makes technology
work for him.

His sheer talent on stage is clear as he pulls off four part
harmonies from the likes of Queen, the Eagles, and the
Rolling Stones. With Andrew's amazing three-octave
range, there are no wimpy falsettos here. He can generate
the full powerhouse of female vocals of divas like Pink,
Adele, Norah Jones and many more.

Andrew John's impersonation of Sir Elton John is widely regarded as one of the best in Canada. His commitment to detail and nuance has left audiences breathless, and is a testament to his showmanship. With over 40 years in the business, Andrew has a reputation as a consummate professional, and provides a show that is not to be missed.
